

Brighter Horizons Ministries

MARCH 2024

Sharing Gods Love through Christmas Hampers was a big hit once again, Thanks to so many that make this incredible gift possible

SCHOOL TIME- 2024

School has once again begun, thankful for our very capable staff that could do this without us. Many years of training has paid tenfold. 200 children registered for another year, 14 full time staff all ready to go .

Praise the Lord

Many hands helped make this distribution possible.

THANKYOU TO ALL OUR SUPPORTERS

UPDATE FROM THE CARLSONS

This past year has certainly had its challenges but we are so thankful for the time we could spend in Honduras again. Even though it was short we were again blessed by all the loving families we encounter daily. We returned home early February after spending some time in Mexico for some alternative treatments. When we returned home the pain was becoming very intense and they started Jeffrey back on chemo, a little different type with a lower dose every two weeks. Praise God we have already seen a huge difference in his pain level. Thankyou for your continued prayers for our family.

FEEDING CENTRES

Our 5 feeding centres: where we use food to share the Gospel continue to run each Sunday, feeding a couple hundred children on any given Sunday. Thanks to the many great supporters of this program we are able to supply the food each week. Thankful for the Honduran ladies that volunteer each week.

SPRUCED UP THIS FEEDING CENTRE KITCHEN

Thanks to a special donation we were able to do some upgrades to this church kitchen. Ladies were so excited for a counter and sink.

FOR THE FIRST TIME IN MANY YEARS WE GOT TO PARTICIPATE IN GRADUATION, WHAT A WONDERFUL DAY FOR ALL.

OUR YOUNG, WILLING HELPERS

Shynese and Aaden joined us in Honduras for 3 weeks through Christmas. Lots of fun handing out Christmas Hampers, helping at the Feeding centres, school supplies and building a few picnic tables. Accomplished a lot in a short couple of weeks.
